How to access the UCPM Programme Page on EU Academy?

To strengthen cooperation and coordination among its Member and Participating States in the field of civil protection, the Union Civil Protection Mechanism (UCPM) offers a dynamic and comprehensive training programme tailored to specific target groups through its Knowledge Network.

Step 1:
Go to Academy.europa.eu

Step 2:
Enter “UCPM Training and Exercises Programme Page” in the search bar.

Step 3:
Choose the community page identified by the symbol: 🎓
How to join the UCPM Programme Page?

The UCPM training programme is open to civil protection and disaster management actors from the EU Member States, UCPM Participating States, partner organisations and third countries interested in improving their knowledge and skills on the European Civil Protection.

Step 4:
Enter the Programme Page by joining the community.

Step 5:
Login with EU login or create an account.

Final:
Welcome to the UCPM Training and Exercises Programme Page!
Example: Where to find the Mechanism Introduction Course for EU Delegations and ECHO Field Offices staff?

All courses relevant to the UCPM Training and Exercises Programme can be found by scrolling down the programme page.

Once you have found the course, click “enroll” to start the course.

Another way to find the course is by using the search function “Explore by topic”.

The course will be located under “fragility, crisis situations & resilience”.
