

Welcome!

Feel free to check your sound and video. Then mute yourself to avoid background noise.

We will begin at 09:15 if there are no technical issues.

In the meantime please add your project acronym before the name so we can assign the breakout room for later in the session.

13 February 2024

KAPP - Knowledge for Action
in Prevention and Preparedness 2023
UCPM-2023-KAPP

DG ECHO B3 – Prevention and Preparedness Capacity Building

Union **Civil Protection** Knowledge Network

Knowledge for Action in Prevention and Preparedness 2023

General call objectives

- UCPM systemic relevance
- Union disaster resilience goals
- Strengthening knowledge partnerships between civil protection and DRM actors
- Building new and further developing existing competencies/capacities
- Raising further awareness of relevant stakeholders

Overview

The call for proposals aimed to identify projects strengthening cooperation among Member and Participating States on disaster prevention and preparedness

Prevention

Strengthen cooperation among UCPM countries and between UCPM and third countries for the prevention of natural and human-induced disasters.

Preparedness

Address demonstrated preparedness gaps relevant for the UCPM community.

Full-scale Exercises

Provide a testing environment and a learning opportunity for all actors involved in civil protection assistance interventions.

Focus of UCPM-2023-KAPP-PREP

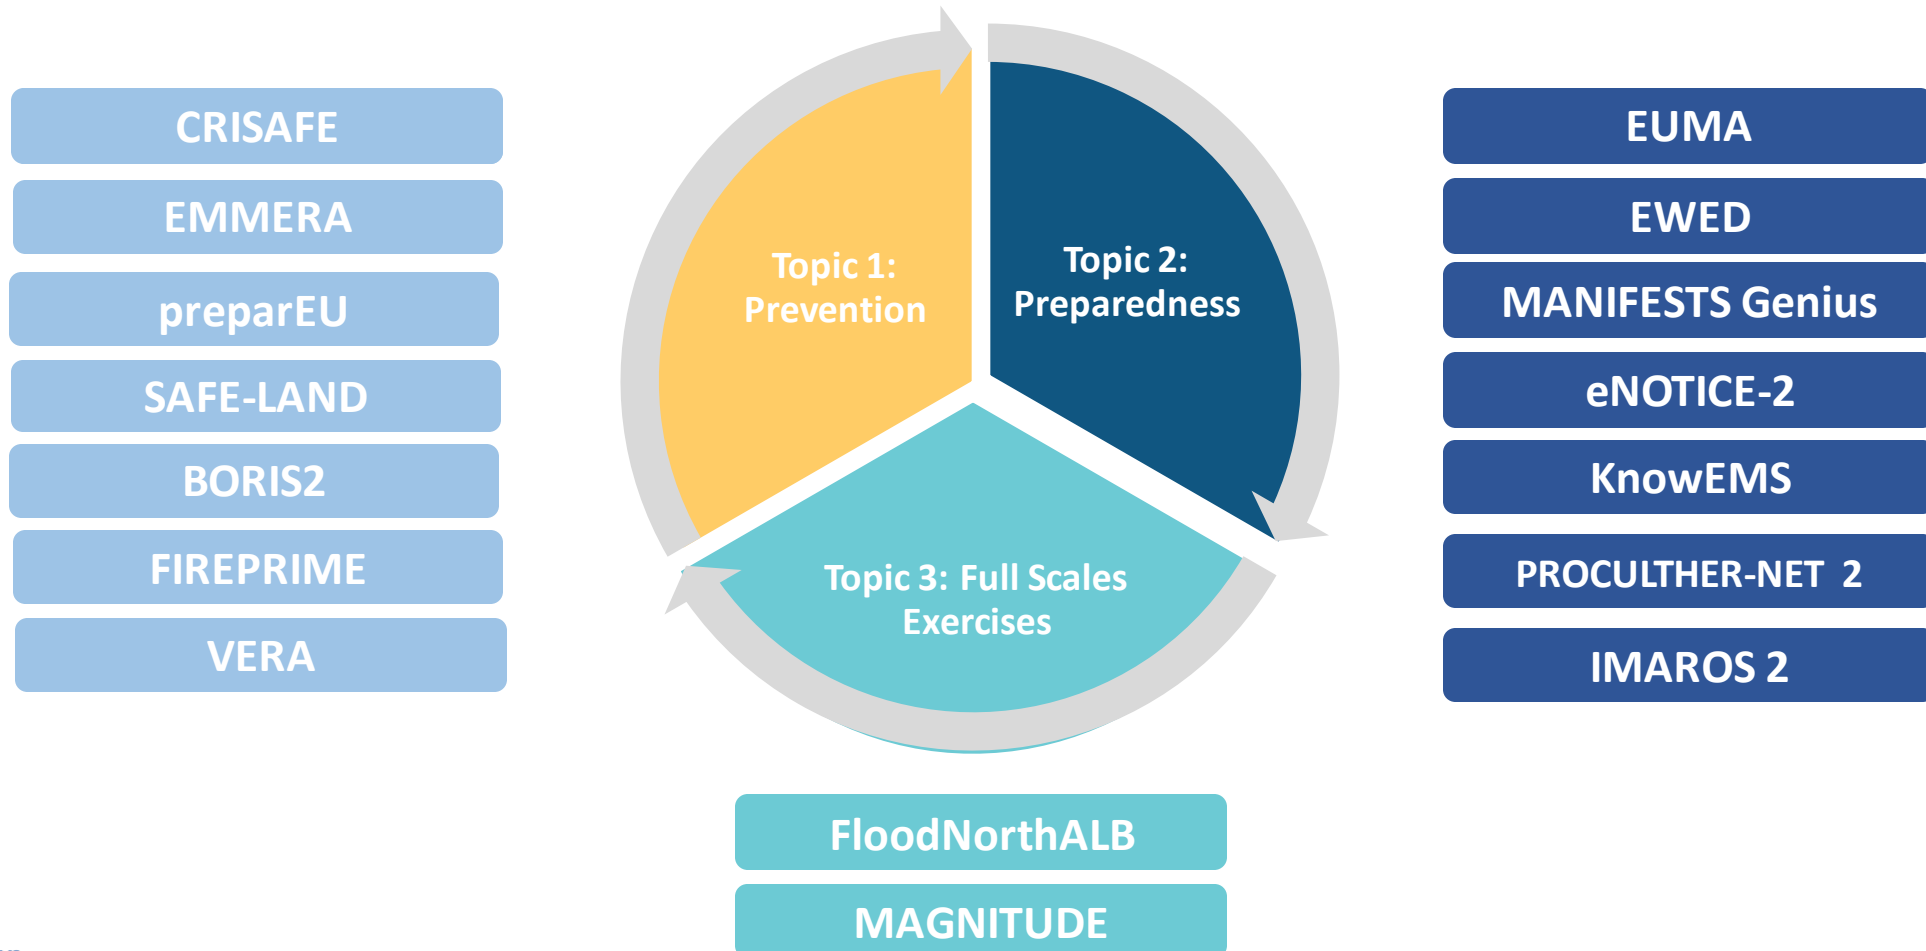

Increase the overall preparedness of the UCPM and its stakeholders through activities that address ongoing and emerging issues of systemic relevance

2 topic priorities:

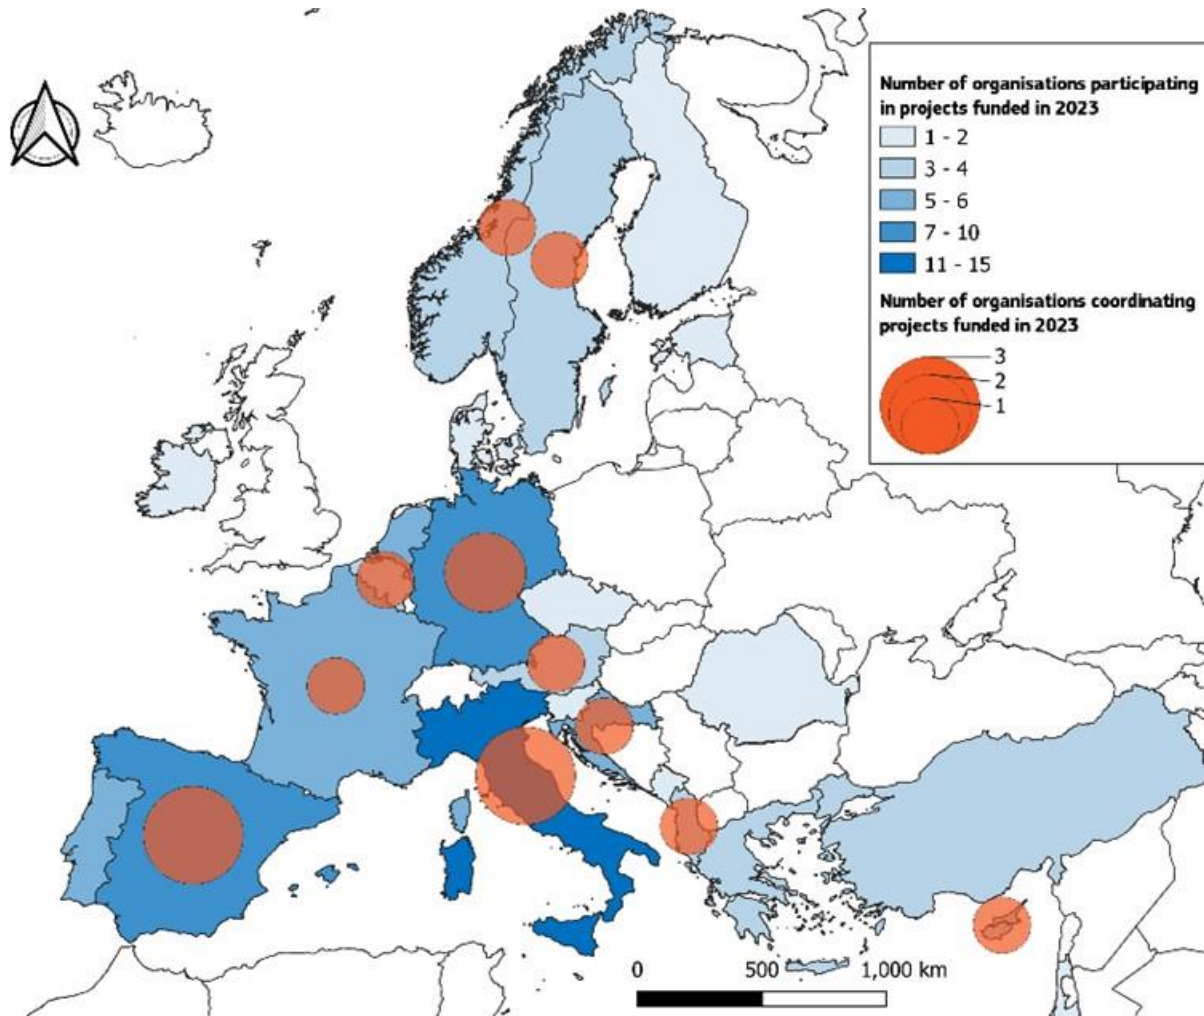

- Priority 1: Institutional preparedness
- Priority 2: Individual capacity strengthening

1.1. How to join?

The online Platform: share your stories, news&events

The online platform of the Union Civil Protection Knowledge Network serves as an **information and collaboration hub** for the civil protection and disaster risk management community in Europe. Whether you are practitioner, researcher, policy maker or volunteer, in this section you will find something for yourself: sectoral **news, events** of importance to the community and **stories** from the frontlines, giving more visibility to the important work of the community members.

Events

Conferences, seminars, workshops, project and networking events for the civil protection and disaster risk management community.

[#Connect](#)

News

UCPM developments, legislative and policy updates, news from the Member States and project community, and much more.

[#Share](#)

Stories

Community testimonials promoting civil protection and disaster risk management policies and practices across Europe.
